

2017 Rules and Regulations

The North Charleston Farmers Market (hereinafter called the "Farmers Market") operates under the direction of the City of North Charleston Cultural Arts Department and Tourism Office. Market Rules and Regulations have been established to provide regulations specific to the Market and are subject to change. These are mandatory for all farmers, food vendors, art & craft vendors, and organizations (hereinafter called "Market Participants") and are part of the Participation Agreement.

Participation in the Farmers Market can be revoked in accordance with the *Violations of the Market Rules* section of this document. Please read this document carefully before signing the Participation Agreement. All vendors must sign and return the 2017 North Charleston Farmers Market Participation Agreement prior to vending in the market.

2. Market Fees and Licenses:

The City of North Charleston Cultural Arts Department and Tourism Office set vendor fees for spaces at the Farmers Market. Cultural Arts will collect fees in advance of the Market, or during the Market itself. Fees are non-refundable. The fees per space for the Farmers Market are:

Single Market - \$10	Per Month - \$35	Full Season - \$190

The Market season takes place over 6 months (May-Oct). The above "Per Season" and "Full Season" fees reflect a reduced rate versus the "Single Market" fee. Each market participant is required to purchase their own business license from The City of North Charleston based on projected gross sales in North Charleston for the calendar year (growers/producers are exempt). A SC Retail Tax License is also required. Market Participants must be able to provide proof of licenses at any time. 3. Set Up/Breakdown

Market Participant set-up begins at 1:00pm. Set-up prior to 1:00pm is prohibited. No cars, trucks, tents, or displays are allowed on the market grounds before 1:00pm. All Market Participants are to unload items and move vehicles to designated parking areas by 2:30pm in order to participate on that day. Market Participants arriving later than 2:15pm may forfeit their space and may not be permitted to set up on that day. In case of an emergency or

unforeseen event (i.e. traffic), please call as soon as you know you will be late so arrangements can be made to reserve your space. The Farmers Market begins promptly at 3:00pm. Breakdown will not begin before 7:00pm.

4. Spaces & Tents

Cultural Arts will assign vendor locations on the market grounds. If you cannot participate in all 26 weeks of the Farmers Market there are no guarantees that you will have the same space each week. The possibility exists that your space will change, or that there will not be a space for you on some weeks. You will be placed in accordance to availability. Vendors are responsible for all equipment, including tents, tables, and chairs. There is no electricity available on the market grounds. Depending on space limitations the criteria used to determine which applicants are accepted will be based on diversification and Market rules and regulations violation history. Cultural Arts and Tourism will review all applications and give final approval. No vendor is promised exclusivity, although the objective is to present a diverse market. Vendor spaces measure approx. 12x12 feet. Vendors are not to exceed boundaries of space. Vendors may request no more than 2 spaces. If 2 separate vendors wish to share a space, both must complete the application/participation agreement. Spaces and tents must remain clean and barrier free. Littering is prohibited. All refuse should be taken with you or disposed of in the proper containers provided on the market grounds. Do not fill the trash containers with rotten or bad items before the market starts. There will be a penalty for failure to dispose of refuse properly. The City of North Charleston is not responsible for any equipment or supplies left on market grounds after the market closes.

5. Parking

There are two public parking lots at the Felix C. Davis Community Center. No Market Participants are allowed to park in the dirt lot adjacent to the market grounds unless they possess a disabled parking placard. Violation of this rule will result in a warning.

6. Absences or Cancellations

Market Participants are asked to give 24-hours' notice if they will not be attending a Market they have committed to. If an emergency occurs and you cannot attend the Market, contact the Cultural Arts Department at (843)740-5854 or culturalarts@northcharleston.org. Failure to call or email prior to opening of the Farmers Market is a violation of this rule and will result in a written warning. The Cultural Arts Department will cancel the Market in the event of severe weather or a hurricane warning. If the Market is cancelled, Cultural Arts will contact all vendors by 12:00pm of the Market day. If the Market is cancelled, no Market Participants will be allowed to sell their products on market grounds that day.

7. Insurance

The City of North Charleston does not carry insurance to cover individual Market Participants. Market Participants are required to be responsible for their own personal, general, and product liability insurance. The City of North Charleston shall be reimbursed for any damage to Farmers Market property by any of the Market Participants. This includes damage to sidewalks, grounds, vehicles, fencing, tents, and any other property owned by or provided by the City of North Charleston.

The North Charleston Farmers Market does not accept brokers: participants who have bought produce, plants, or flowers from a grower and do not grow anything themselves. If any item for sale is labeled organic, the farmer must show proof of certification from a USDA recognized certifying group such as CFSA or OCIA. In addition to the General Rules of the market, Farmers and Growers must also comply with the following:

A. Participation Agreement, Crop Information

Eligible farmers/growers must sign a Participation Agreement acknowledging acceptance of these rules and regulations. The Market Manager has the authority to remove questionable items. Exceptions will be made by Cultural Arts if a crop has experienced an unusual harvest due to weather or disease. Farmers and growers are encouraged to notify Cultural Arts when an item is no longer available locally.

C. 50% Rule

You must grow at least fifty percent of the items for sale under your tent or in your space. Produce you purchase from another source, even another Lowcountry farm, shall not be considered part of your harvested 50% (e.g. If you harvest and sell 4 items, you can sell 4 purchased items). The 50% rule is

effective from the second Thursday in May until the second Thursday in July, and from the last Thursday in August until the last Thursday in October. The City of North Charleston may waive the 50% rule due to weather or climate conditions.
