

Park Circle Butterfly Garden

PARK CIRCLE BUTTERFLY GARDEN

COLORING BOOK

Keep North Charleston Beautiful is a 501(c)3 non-profit organization that works to enhance the beauty and image of the City of North Charleston through hands-on beautification efforts, through education, and by supporting community cleanups. KNCB accomplishes this mission through the support of our generous sponsors and many community volunteers.

Make plans to visit the **Park Circle Butterfly Garden** located on the grounds of the Felix C. Davis Community Center at the center of Park Circle (4800 Park Circle). This garden would not be possible without the generous support of the North Charleston Recreation Department and all of our community volunteers who keep the garden beautiful and the butterflies happy!
