Minimum Education and Experience Requirements

Requires a high school diploma or GED equivalent supplemented by five years of experience in code inspection and enforcement, or an equivalent combination of education, training and experience that provides the required knowledge, skills and abilities.

Physical Demands

Physical demands refer to the requirements for physical exertion and coordination of limb and body movement.

Tasks involve the ability to exert very moderate physical effort in light work, typically involving some combination of climbing and balancing, stooping, kneeling, crouching and crawling, and the lifting, carrying, pushing and/or pulling of objects and materials of moderate weight (up to 20 pounds) and occasionally heavier objects and materials (up to 40 pounds). Tasks may require traversing uneven terrain and/or climbing ladders during field inspections.

Unavoidable Hazards (Work Environment)

Unavoidable hazards refer to the job conditions that may lead to injury or health hazards even though precautions have been taken.

Involves routine and frequent exposure to:

- bright/dim light; dusts and pollen
- extreme heat and/or cold; wet or humid conditions
- extreme noise levels; animals/wildlife.
- vibration; fumes and/or noxious odors.
- traffic; moving machinery.
- electrical shock; heights.
- exposure to radiation; disease/pathogens.
- toxic/caustic chemicals; explosives.

Special Certifications and Licenses

- Valid South Carolina Driver's License

Americans with Disabilities Act Compliance

The City of North Charleston is an Equal Opportunity Employer. ADA requires the City to provide reasonable accommodations to qualified persons with disabilities. Prospective and current employees are encouraged to discuss ADA accommodations with management.

Standard Clauses

This position may be required to be on call during emergency disasters and subject to 24-hour shifts or other emergency schedule that is necessary to meet the City's needs.

May be required to work nights, weekends and holidays to meet the business needs of the City.

This job description is not designed to cover or contain a comprehensive listing of essential functions and responsibilities that are required of an employee for this job. Other duties, responsibilities, and activities may change or be assigned at any time with or without notice.

Essential Safety Functions

It is the responsibility of each employee to comply with established policies, procedures and safe work practices. Each employee must follow safety training and instructions provided by their supervisor. Each employee must also properly wear and maintain all personal protective equipment required for their job. Finally, each employee must immediately report any unsafe work practices or unsafe conditions as well as any on-the-job injury or illnesses.

Every manager/supervisor is responsible for enforcing all safety rules and regulations. In addition, they are responsible for ensuring that a safe work environment is maintained, safe work practices are followed, and employees are properly trained.

This class description does not constitute an employment agreement between the City of North Charleston and an employee and is subject to change as its needs change.
