

SPRING SPORTS

Dear Parents,

Welcome to the 2022 Spring Sports programs! We are excited to have your child/children registered to participate in the upcoming season. Once again, we have a dedicated group of volunteers ready to coach, teach, and mentor your child. Volunteer coaches are very important to our program and we appreciate all their hard work and dedication. With your help and support, by having your child at practices and games in a timely manner, and communicating with your coach, we will have a very successful season. **Parents will be contacted by their coaches by phone call or text before practices start for the sport in which you have registered.**
